You are hereby notified that on this date the Presiding Officers in this Cause make the following Entry:

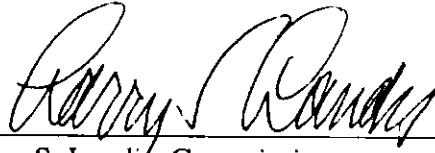

On November 5, 2004, the Indiana Office of Utility Consumer Counselor ("OUCC") filed the following motion with the Indiana Utility Regulatory Commission ("Commission") in Cause No. 37399-GCA 84: *Motion of the Indiana Office of Utility Consumer Counselor to Establish Subdocket and Prehearing Conference for Investigation of Gas Exchange Transactions Between Citizens Gas and Coke Utility and Proliance Energy, LLC Pursuant to Letter Agreement Dated July 29, 2004* ("Motion").

The Motion states that Citizens Gas and Coke Utility ("Citizens") presented testimony in Cause No. 37399-GCA 84 that discusses a July 29, 2004 Letter Agreement between Citizens and Proliance Energy, LLC and the impact the resulting gas transactions between these companies has on the Gas Cost Incentive Mechanism ("GCIM"). The Motion further states that GCIM savings flow through the gas cost adjustment ("GCA") to those customers of Citizens that are affected by GCAs and are based on a sharing mechanism established in GCA 50. The OUCC asserts that, having reviewed the Letter Agreement, it believes there are serious implications involving the settlement agreement in GCA 50, and that the propriety of the Letter Agreement and the proper amount of GCIM savings that should be attributed to Citizens' customers deserve review and scrutiny in a separate proceeding.

Having reviewed the Motion, the Presiding Officers find that the Motion should be granted. Therefore, this Cause (Cause No. 37399-GCA 84-S1) is hereby initiated for the purpose of investigating any impact on Citizens' customers resulting from gas transactions between Citizens and Proliance Energy, LLC pursuant to their July 29, 2004 Letter Agreement.

A Prehearing Conference has been scheduled in Cause No. 37399-GCA 84-S1 for February 17, 2005, at 2:30 p.m. EST, in Room E306 of the Indiana Government Center South, Indianapolis, Indiana.

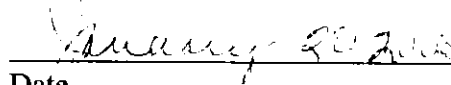

IT IS SO ORDERED.
